Experience

Freelance Graphic Designer

Rebecca Stibrik Design, May 2017 to Present

- Designed work for clients, such as resumes and logos.
- Created self-initiated graphic design and photography pieces.
- Displayed photography at a local business.

Graphic Designer

Virginia Chamber Orchestra, Jan. to Sept. 2018; Apr. to Jul. 2021

- Produced concepts, imagery, and promotional materials for the 2021 *Music in the Gardens* concert series.
- Designed logos, invitations, mailing materials, etc. for events such as the 2018 *Spring Soiree Gala* and the *VCO Meets Peru Musicale* at the Peruvian Ambassador's Residence.
- Created various other signage and marketing materials, such as direct mailers and posters, to advertise VCO performances.

Design Director

Blueink Literary Arts Magazine, Dec. 2016 to May 2017

- Designed and oversaw the creation of Marymount University's 2017 *Blueink Literary Arts Magazine* from concept to print.
- Supervised design team and coordinated with literature team to create a production schedule, collect submissions, and produce the final printed product.
- Lead design team students in selecting artwork for the magazine.

Student Designer

Marymount University, Aug. 2014 to May 2017

- Served as Design Editor for *The Banner* student newspaper.
- Was a Contributing Photographer for the 2015 *Student Handbook*.
- Conceptualized and created design work for university department use as well as clients solicited through the university.

Graphic Design Intern

The John F. Kennedy Center for the Performing Arts, Summer 2016

- Designed The Kennedy Center and National Symphony Orchestra subscriber guides and mailing materials for the 2016-2017 performance season.
- Created signage, advertising, and marketing materials for Kennedy Center performances; including posters, web ads, and direct mailers.
- Selected and edited photography for promotional material.

Skills & Technology

Photography, Photo Editing, Digital Illustration, and Branding & Identity using Adobe Creative Suite (InDesign, Photoshop, and Illustrator). Web design using WIX. Proof Reading, Copy Editing, and Microsoft Office Suite (Word and PowerPoint). Mac and PC proficient.
